

Community Support Gathering

We grieve with the family of Maddi Kingsbury and the communities in our area as the search for her continues. For some, this has maybe brought up emotions in you that are distressing or challenging to manage or make sense of.

Hiawatha Valley Mental Health Center would like to offer a safe, quiet space for you and our community to be together to support each other. This is not a formal educational or therapy gathering but an informal time for us to support one another.

Where and When

- Friday, April 21st from 5-7pm community gathering at Rushford-Peterson School (2nd Floor Library)
- Saturday, April 22nd from 12-2pm community gathering at Hiawatha Valley Mental Health Center (420 E Sarnia St, Winona)

Snacks, refreshments and local community resources will be available

Please reach out to Erik Sievers, Executive Director, if you have questions or need more information.

(507) 453- 6202
